### **Nature & Conservation Activities**

Through recycling activities, making homes for stray cats, building birdhouses, and gardening, children develop environmental awareness and a love for nature.

### **Other Activities**

Alexis Pirates-themed games, children's shows (magician, juggler, etc.), experiment and science activities, and mini disco fun continue at different times of the day.

Elexus Kids Beach is a separate and controlled beach area specially designed for children, combining games, fun, and sea enjoyment.

This area features sun loungers, shade structures, and play equipment specifically for children, while the beach layout is planned entirely with children's safety and comfort in mind. Thanks to sand play areas, age-appropriate toys, and arrangements that ensure safe contact with the sea, our little guests can spend the day freely.
